

2025 – Audio Description Rules Certification

Newsmax Broadcasting, LLC

In 2024, the Federal Communications Commission audio description rules set forth in 47 C.F.R. § 79.3 required audio-described programming solely for (i) local TV station affiliates of ABC, CBS, Fox, and NBC located in the top 110 DMAs, and (ii) the top five non-broadcast networks (identified by the FCC as TLC, HGTV, Hallmark, TNT, and TBS) if carried on Subscription TV systems with 50,000 or more subscribers. Therefore, the audio description rules are not applicable to Newsmax in 2025.

Certified by me this 21st day of January 2026.
