

Second Quarter 2026 – CALM Certification

Newsmax Broadcasting, LLC

Newsmax Broadcasting, LLC (“Network”) currently meets requirements set forth in the Commercial Advertisement Loudness Mitigation Act (“CALM”) as required by Section 76.607 of Title 47 of the Code of Federal Regulations for all commercial advertisements embedded in programs carried on its Network in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85: Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television at the point of distribution by the Network to authorized reception equipment of downstream distributors for the period prior to and through June 30, 2026.

The Network is in compliance with the ATSC A/85 through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.

Certified by me this 1st day of July 2026.

A handwritten signature in black ink, appearing to read "Andrew Brown", written over a horizontal line.
